

Proxy Market Research 2019

The best performing proxy services

Based on proxy service ability to withstand the load of concurrent connections.

Our tests show that two providers, OxyLabs and Geosurf, clearly outperform the rest of the industry. Both providers have extremely stable and reliable residential proxies.

Best Performance

The best proxy providers by success rate

Measured using our own testing script.

The top three providers are OxyLabs, Geosurf, and Smartproxy. In terms of success rate, all three stand almost at the same level, but OxyLabs wins over by a small number.

Best Success Rate

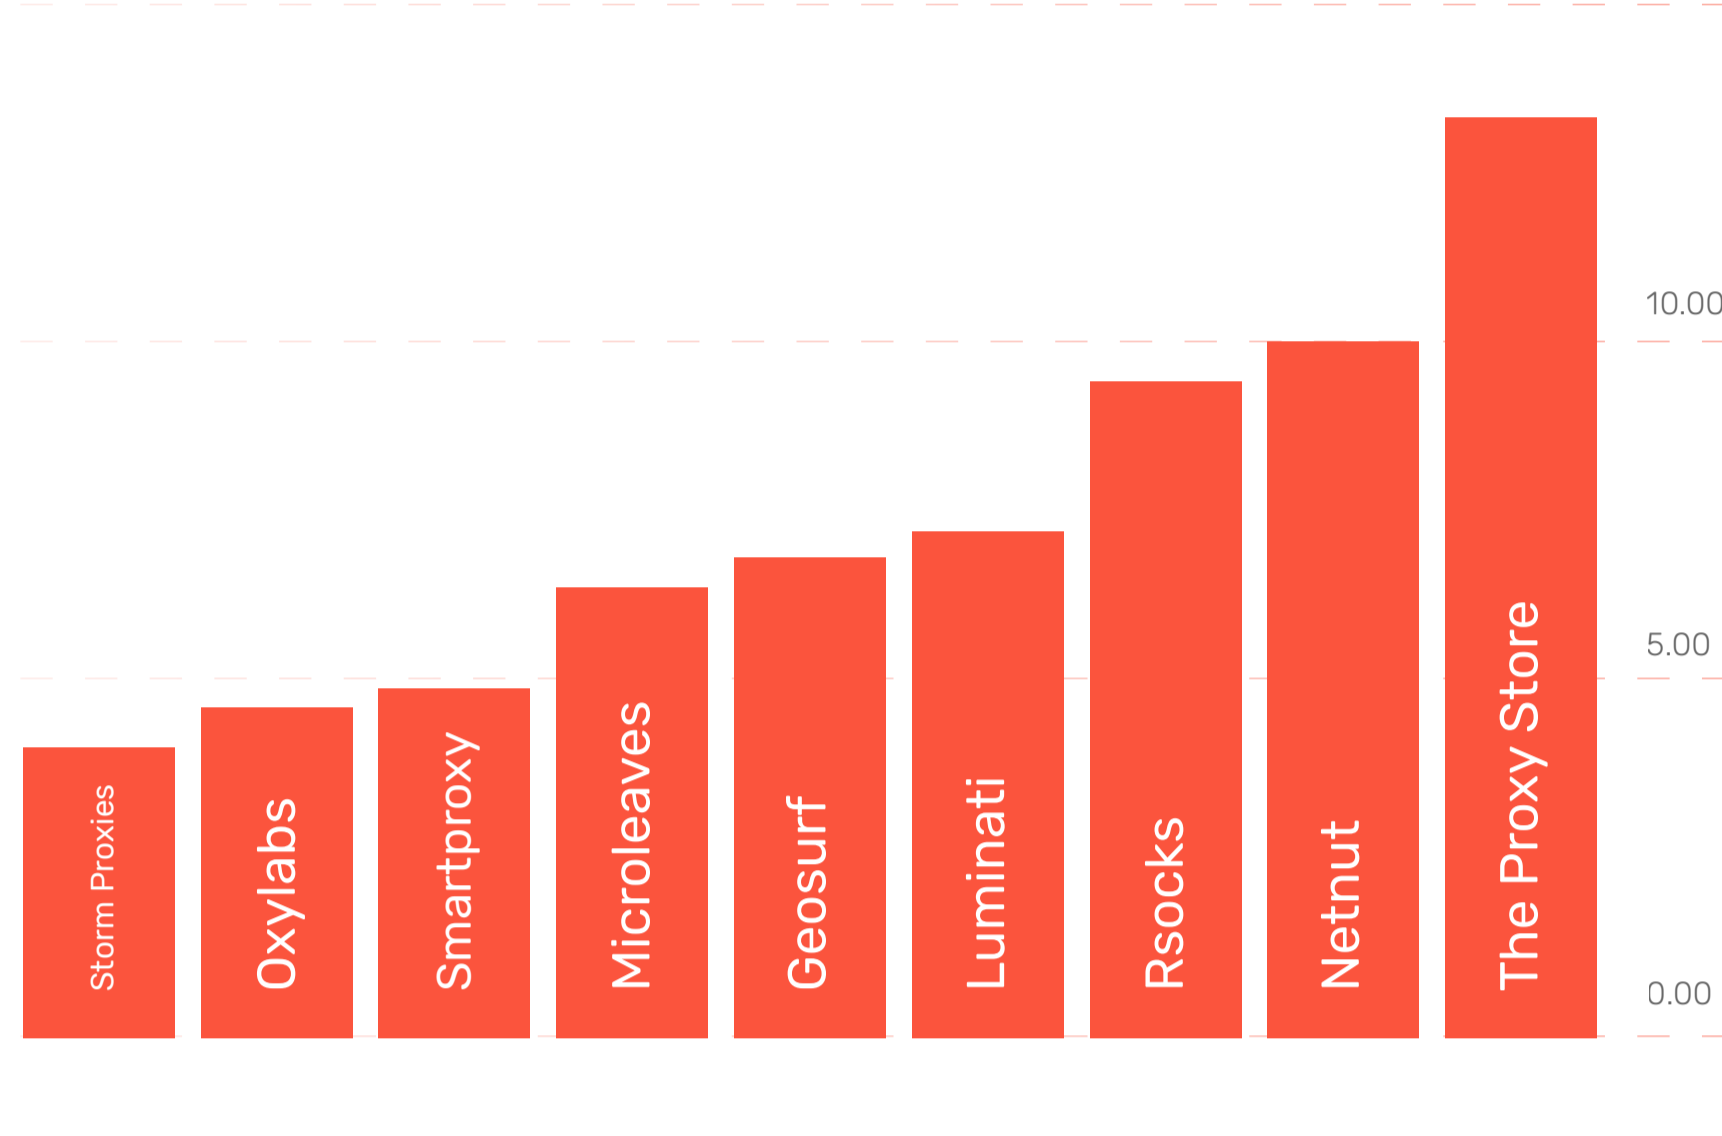

The fastest proxy services

Measured by the average response time.

Looking at the overall response time, the winner is Storm Proxies, but coming really close are OxyLabs and Smartproxy. All of them have less than 5s of average response time.

Best Speed

The best customer support

Based on the number of support channels, accepted payment methods, and testing options.

Out of all proxy providers, Luminati, The Proxy Store, Smartproxy, and OxyLabs stand out when it comes to customer service. However, Smartproxy still provides the best overall customer support.

Best Customer Service

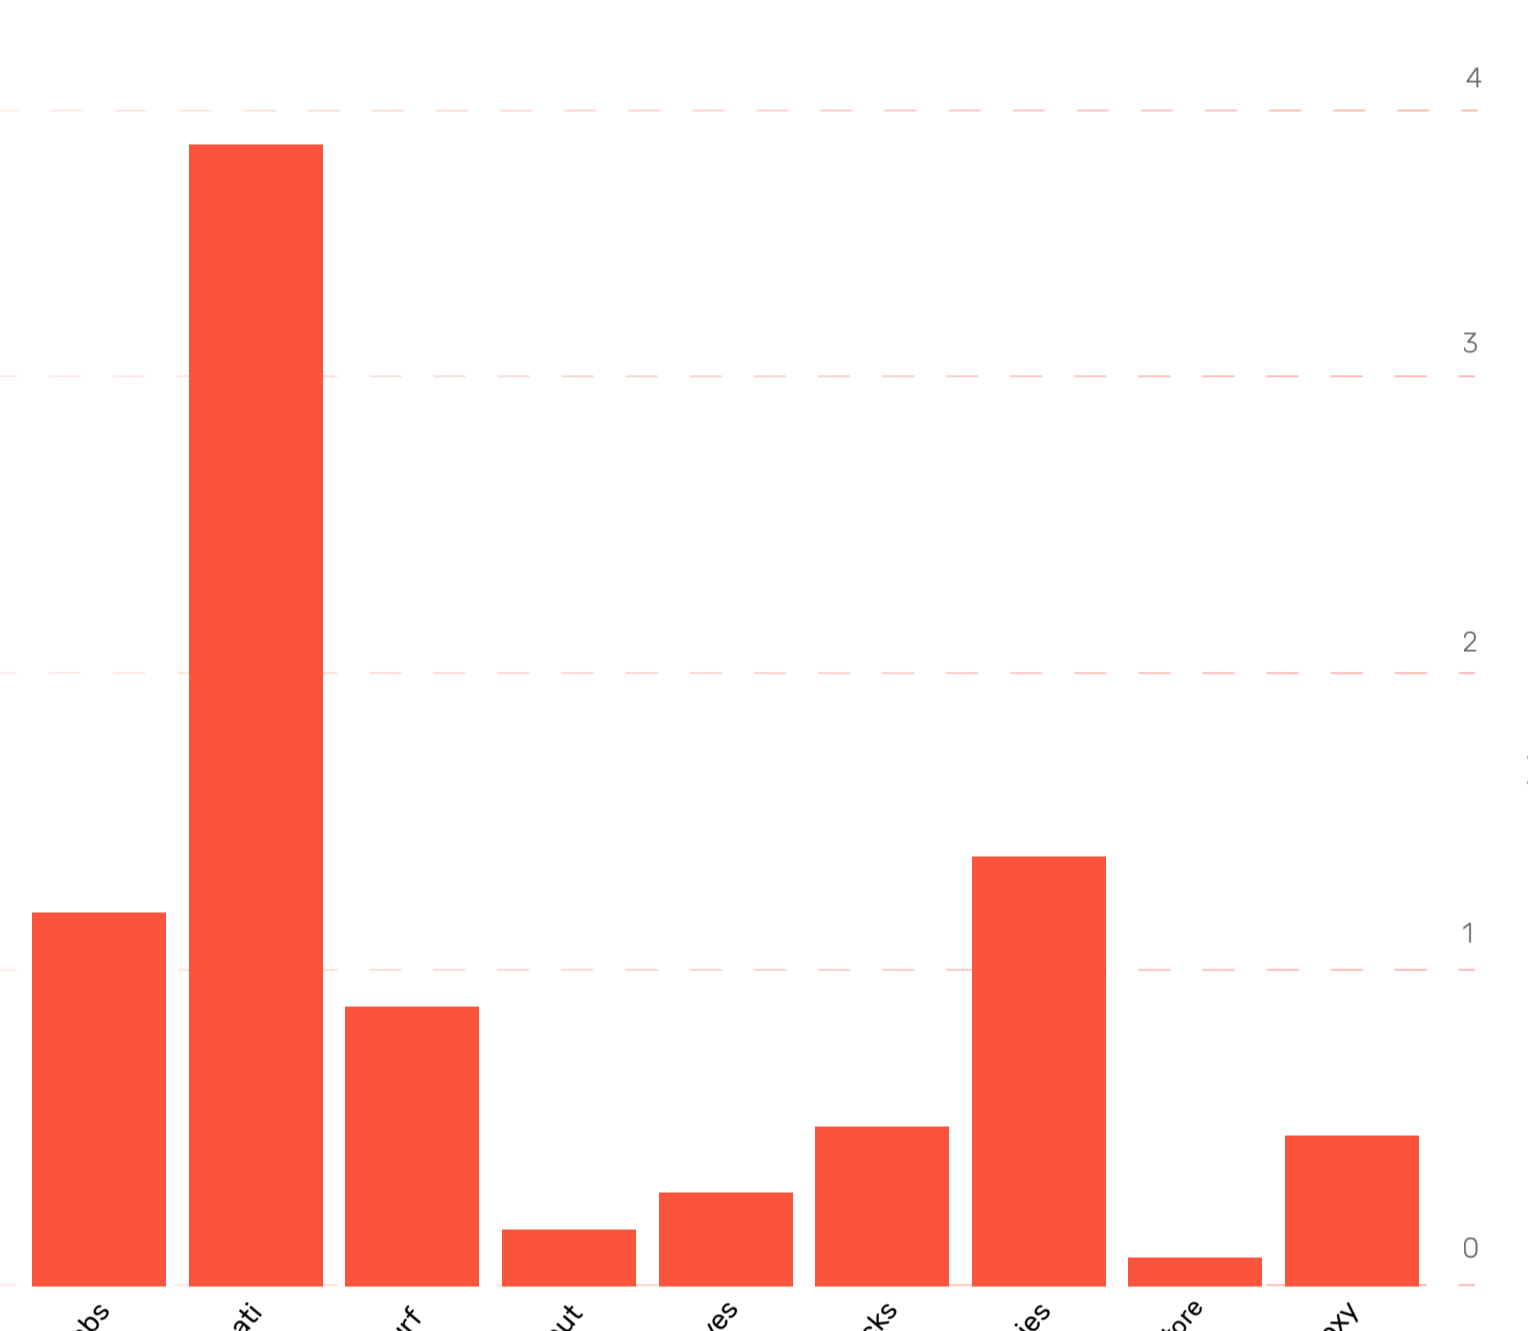

The proxy service with the most website visitors

Based on the SimilarWeb data.

The proxy service websites accumulate close to 6 million visits per annum. The providers with the most website visits are Luminati, Storm Proxies, and OxyLabs.

Most Web Traffic

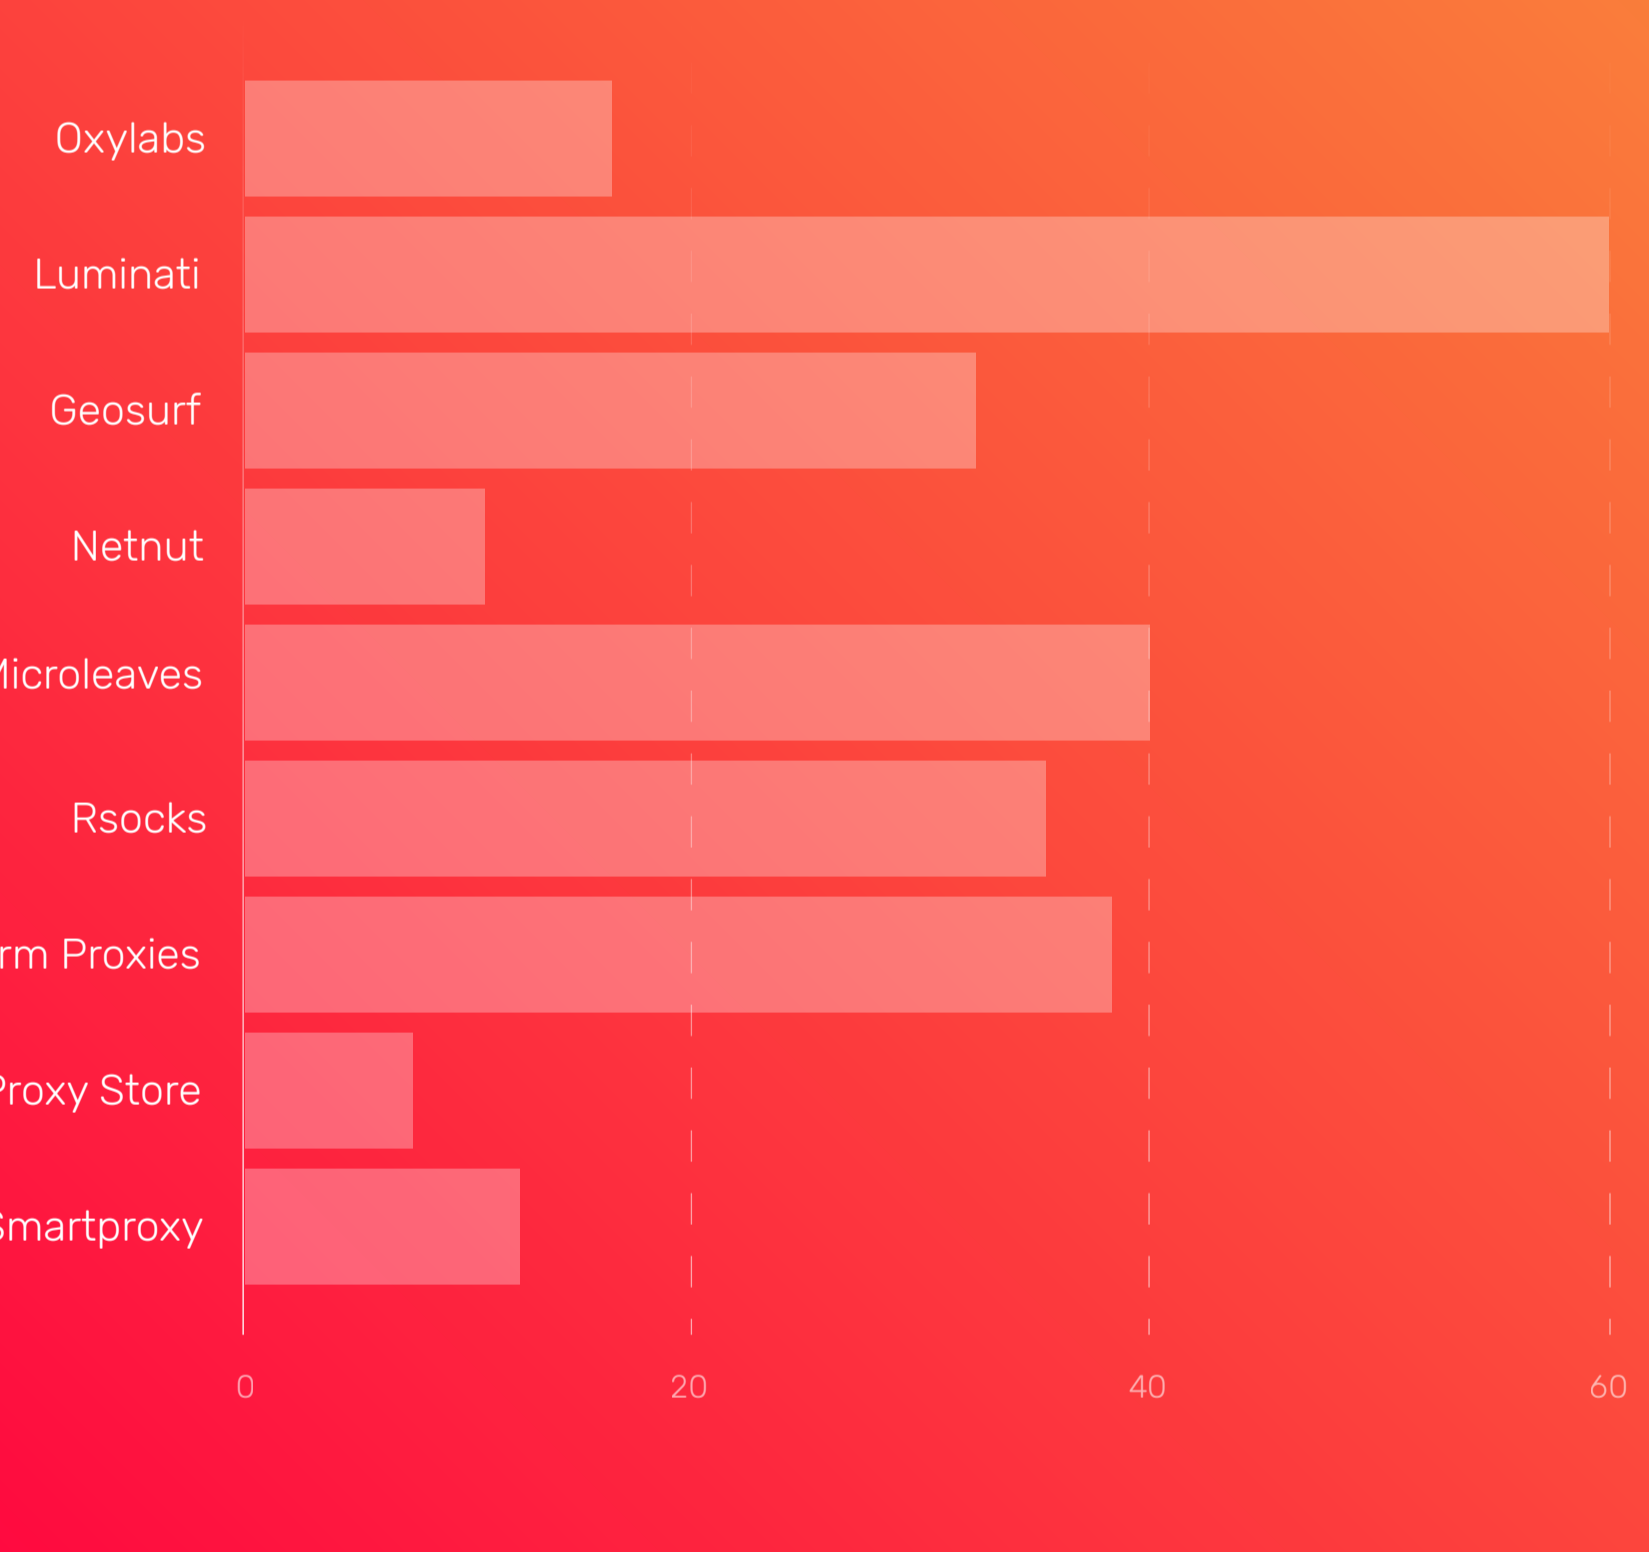

The most valuable proxy websites by domain rating

Domain rating indicates the strength of a website's backlink profile. For this research, we're using the Ahrefs data.

The proxy service providers with the most solid brands based on the domain rating measure are Luminati, Microleaves, and Storm Proxies.

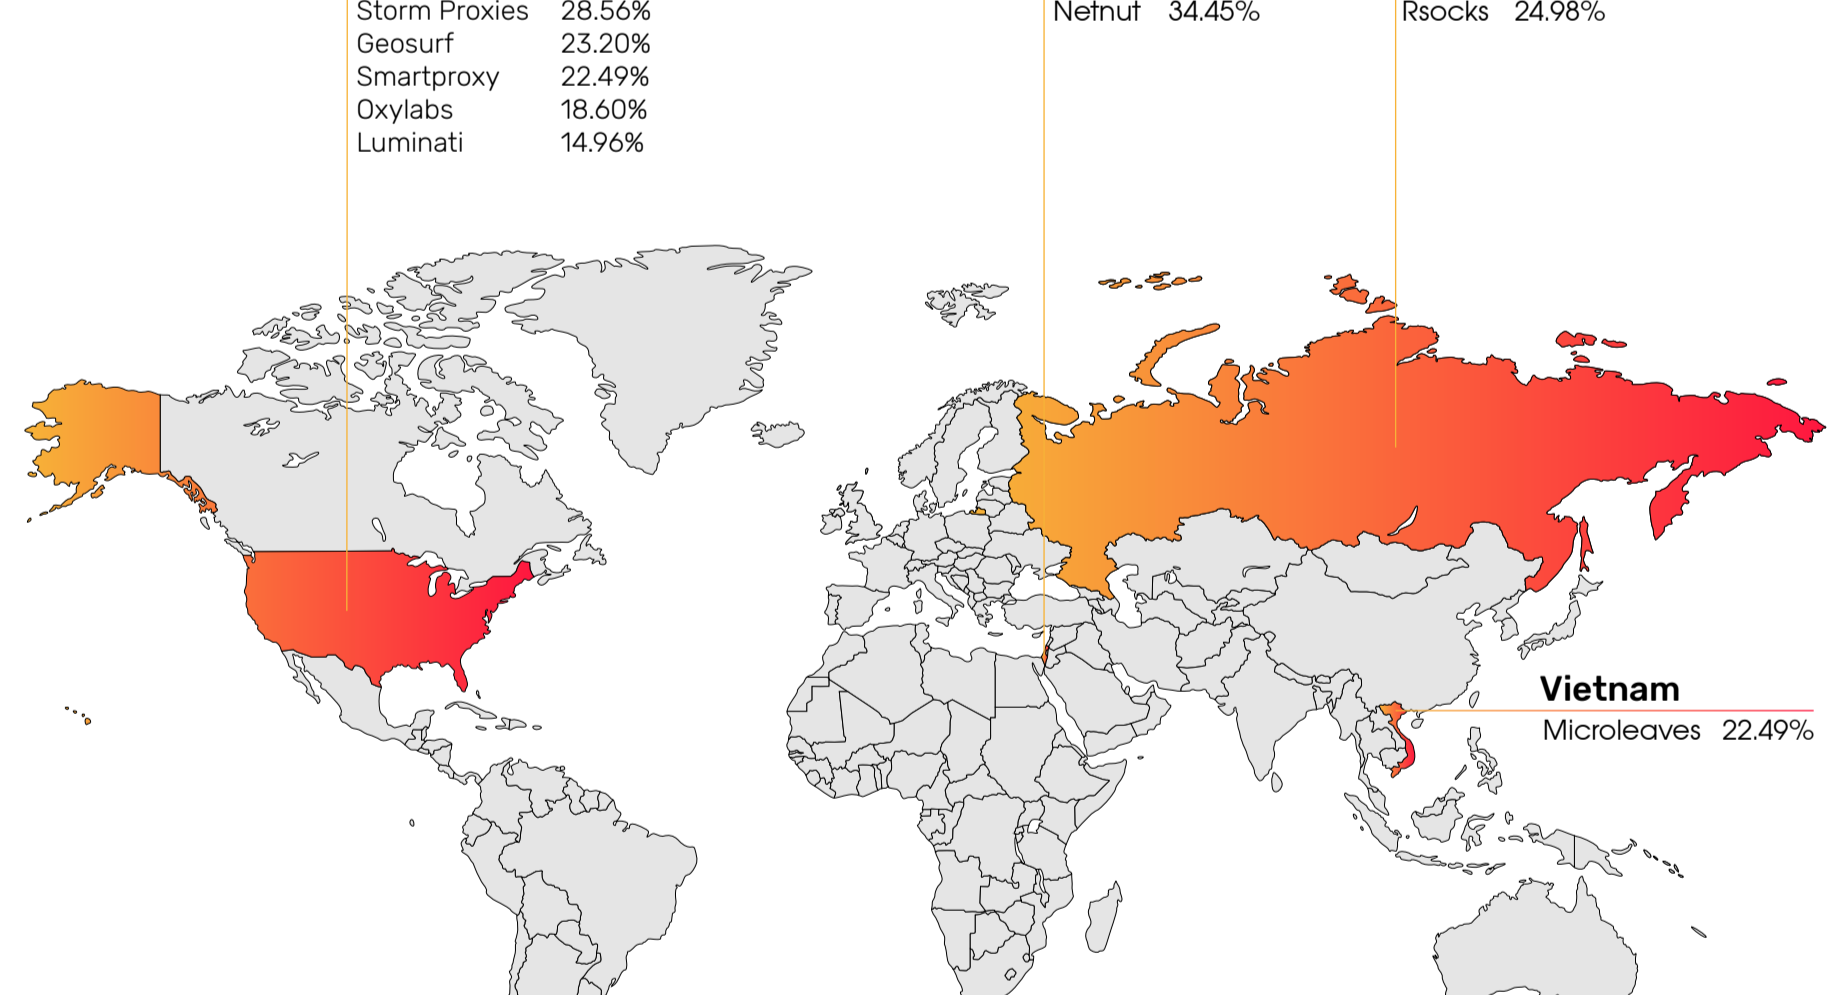

Best Domain Rating

Top Countries

Based on the SimilarWeb data.

The United States is sending the most traffic to the proxy service providers websites. OxyLabs, Luminati, Geosurf, Storm Proxies, and Smartproxy are among the picks for this particular audience.

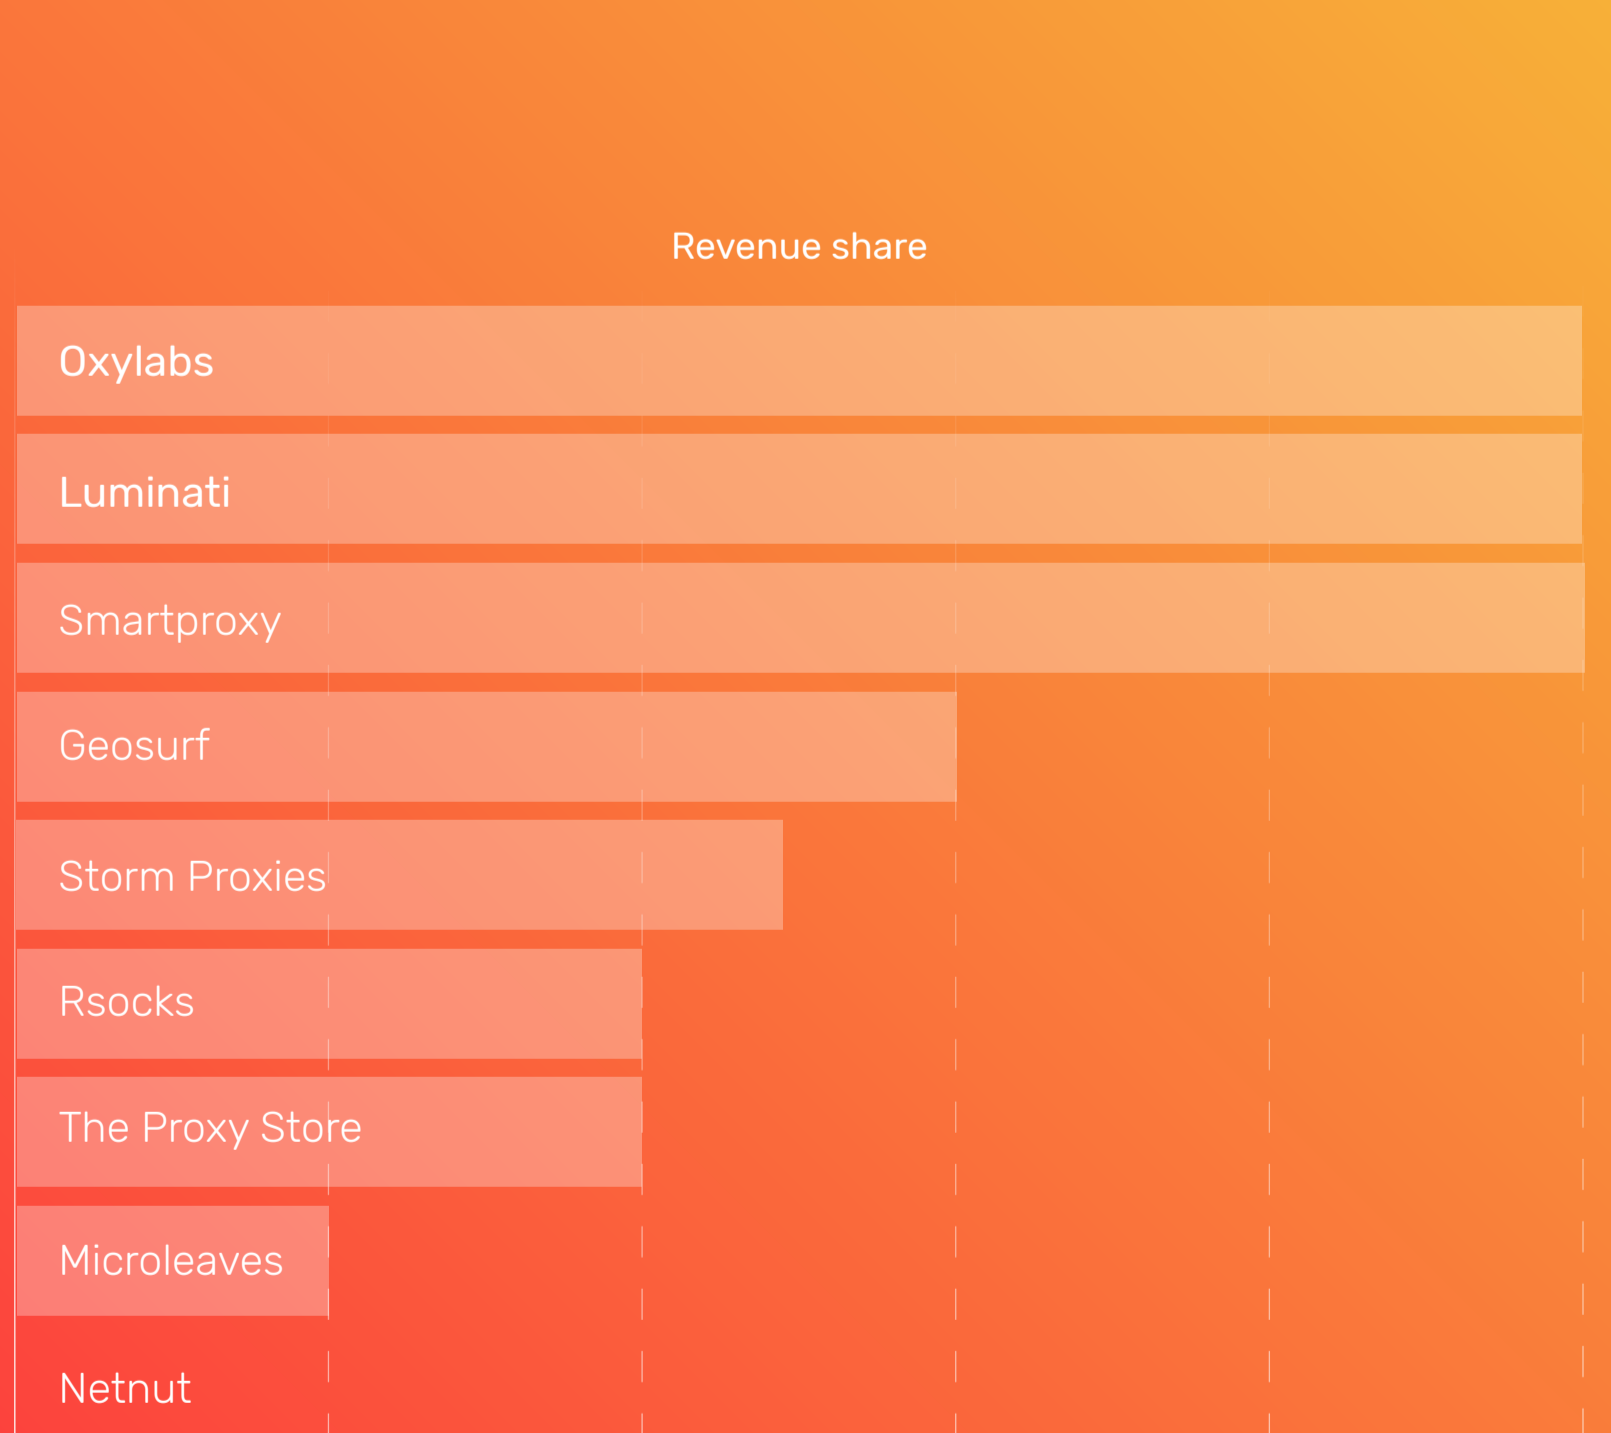

The proxy service with the best referral program

Based on the revenue share that each proxy provider offers to their affiliate partners.

The majority of proxy providers offer referral programs that are based on revenue shares. The highest offers by Luminati, OxyLabs, and Smartproxy go up as high as 50%. The proxy provider offering the highest payout limit is OxyLabs (\$2,000).

Top 3 Referral Programs

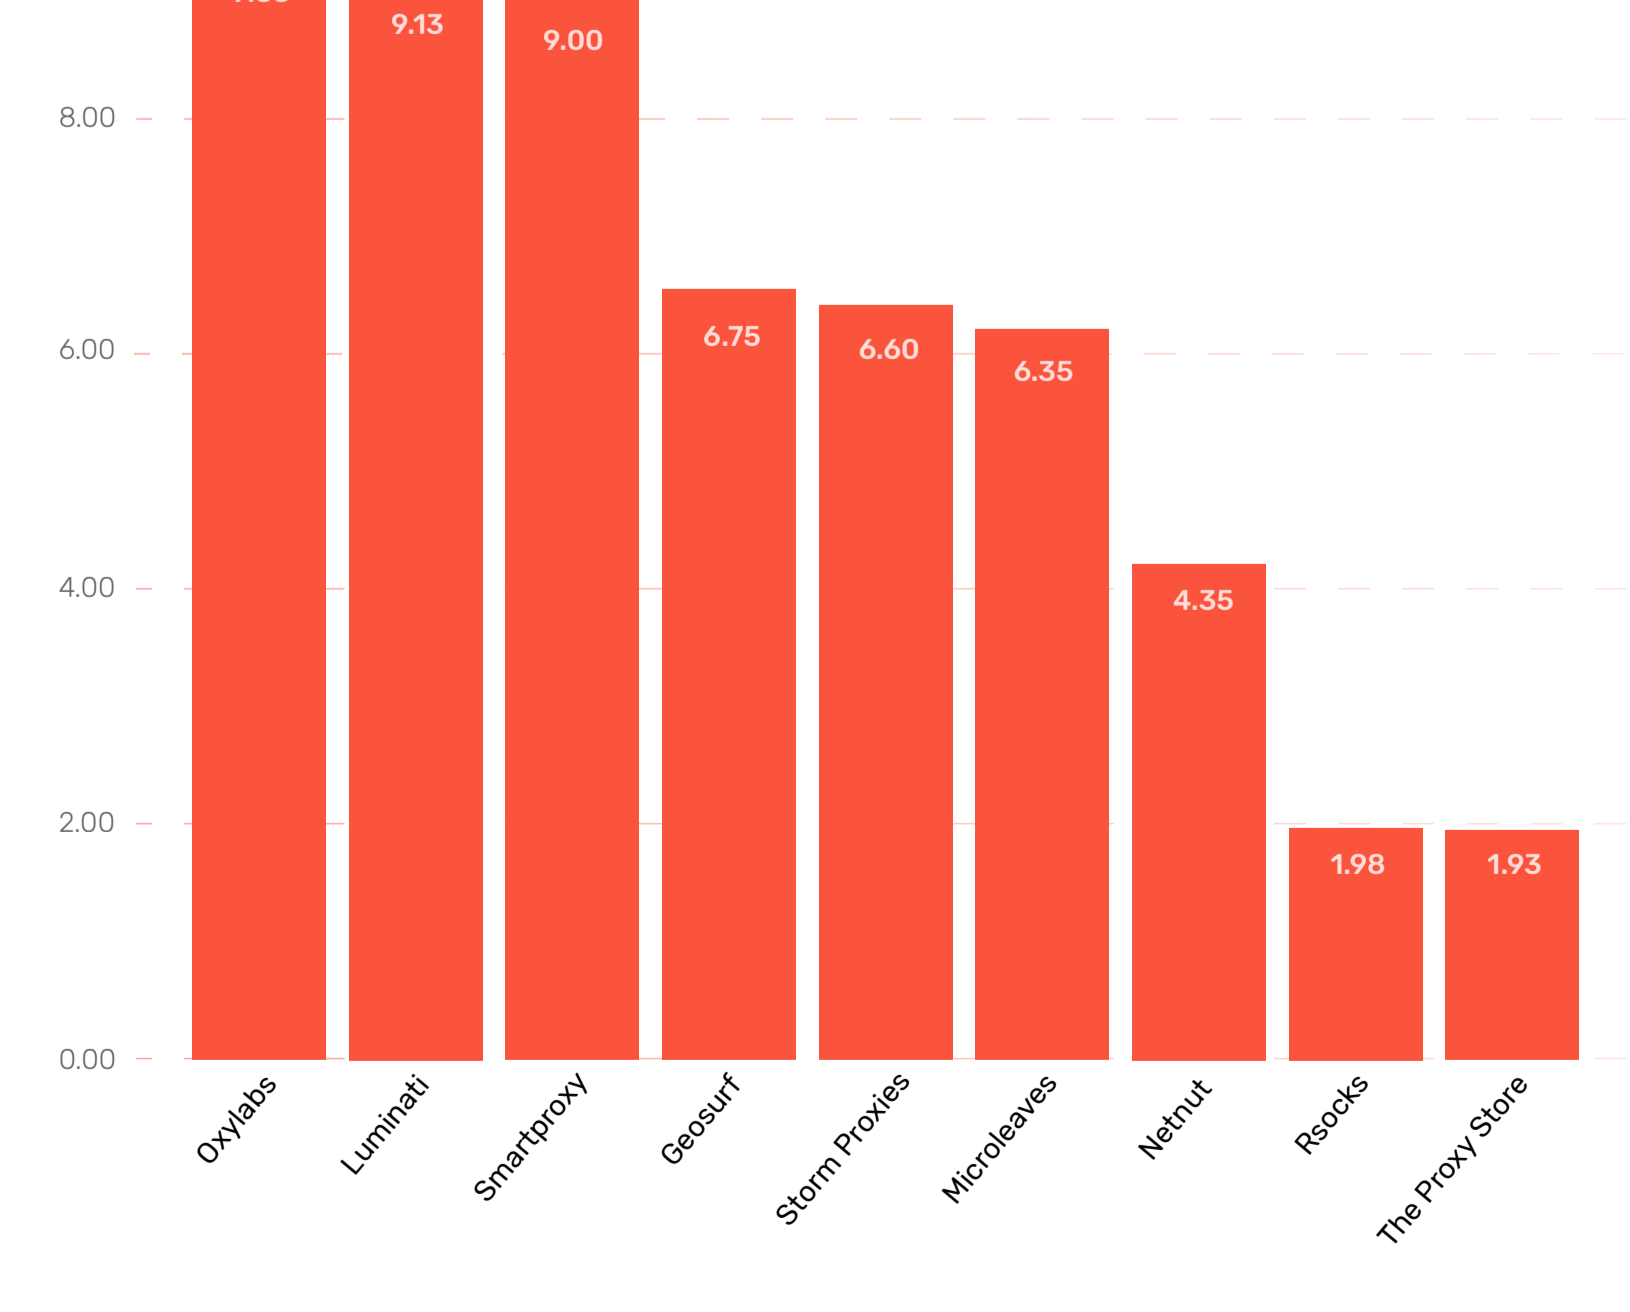

The best-rated proxy service providers

Based on the proxyway.com, privateproxyreviews.com, stupidproxy.com, and bestproxyproviders.com ratings.

Summing up all of the reviews, the best performing proxy provider is OxyLabs.

Best Rated

The proxy market landscape

Summing up all of the metrics, OxyLabs and Geosurf outrank others with their performance. However, Luminati is ahead of the competition when it comes to online presence. Smartproxy provides the best overall customer support. While the majority of proxy providers offer very convenient referral programs.
